

In the hood...

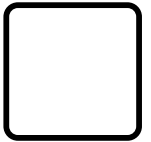

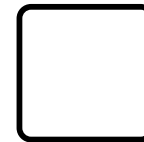

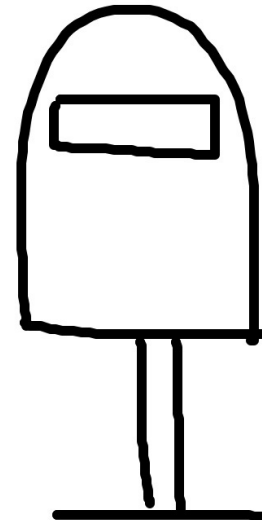

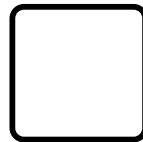

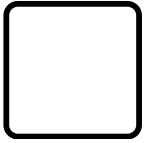

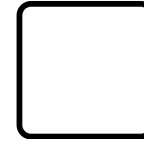

A SCAVENGER HUNT DRAWING
ACTIVITY FROM SQUIGGLE KIDS

Hi Kids!

**Can you find these things
in your neighbourhood?**

**Draw about where you
find them and what is
happening on the
following pages!**

Woof woof! Can you see a dog? Is it playing with a ball? Chasing a cat? What happens next?

**Owls are active at night,
Sometimes if you look
closely you can find one
in a tree. Can you draw a
tree for the owl so it
can have a sleep? Hoot
hoot!**

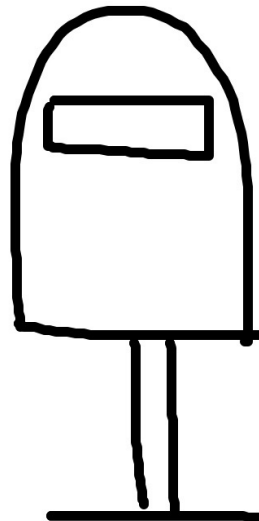

Tweet! Tweet! Can you spot a bird? Is it up a tree, in the air or on the ground? Draw some food for it to eat.

Can you see a mailbox in your neighbourhood? Is there garden around it? A front fence? Where's the postie?

**Meow! Can you see a
cat? Where is it? What
is it doing? Sleeping?
Climbing a tree? Playing
with string?**
